## *Nouveau Louvre 2021*

### Fundraising Event & Holiday Celebration

---

#### Attention artists!

The GNO is back with its long-awaited annual event, the **Nouveau Louvre**, a trippy holiday art sale!

The gallery invites you to submit artworks of all kinds for sale. Submitted works will be displayed on the GNO's virtual boutique through November, before the sale. The sale will begin virtually on November 20th at 7 p.m. and as part of a festive party at Spacecraft Brewery. Invitation and further details to come.

#### Sale guidelines:

- First come, first served!
- All artwork will be sold for \$200.
- Profits will be shared between the artist and the GNO.
- The artist will receive \$125, and the GNO \$75.

The sale will continue until January 29, 2022. This will allow those who have received a gift certificate to be able to purchase a work after the holidays!

### Responsibilities of the artist

- Select a maximum of 5 artworks that you are willing to let go for \$200.
- Take a close-up photo of each piece, and if possible, in a natural light setting.
- Provide descriptions of each artwork by filling out the submission form.
- Once a sale is made, deliver or mail the artwork to the buyer. Make sure to submit work that you are able to deliver or mail.

The GNO will coordinate the delivery of the works by providing the name and address of the buyer to the artist. The gallery will also be responsible for invoicing the buyer, paying the artist, and if applicable, reimbursing delivery costs (maximum \$25 per artwork).
